REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Regarding claims 1 and 2, the prior art fails to disclose a receiver comprising:
despreading code calculating means for calculating a code for despreading a reception signal based on delays given to the reception signal over a plurality of transmission paths through which the reception signal is transmitted and coefficients representing respective phase/amplitude ratios of the transmission paths;
despreading means for despreading the reception signal using the code calculated by and output directly from the despreading code calculating means.

Conclusion
